So glad we found this place! We were looking for a spot to eat lunch and came across T Deli. The food and service was AMAZING! The owner was super friendly and the sandwiches were the best I've ever had.

Love this place. I have been going to this place for a few years. I usually order the BLT with the sesame slaw. The fruit salads are awesome.

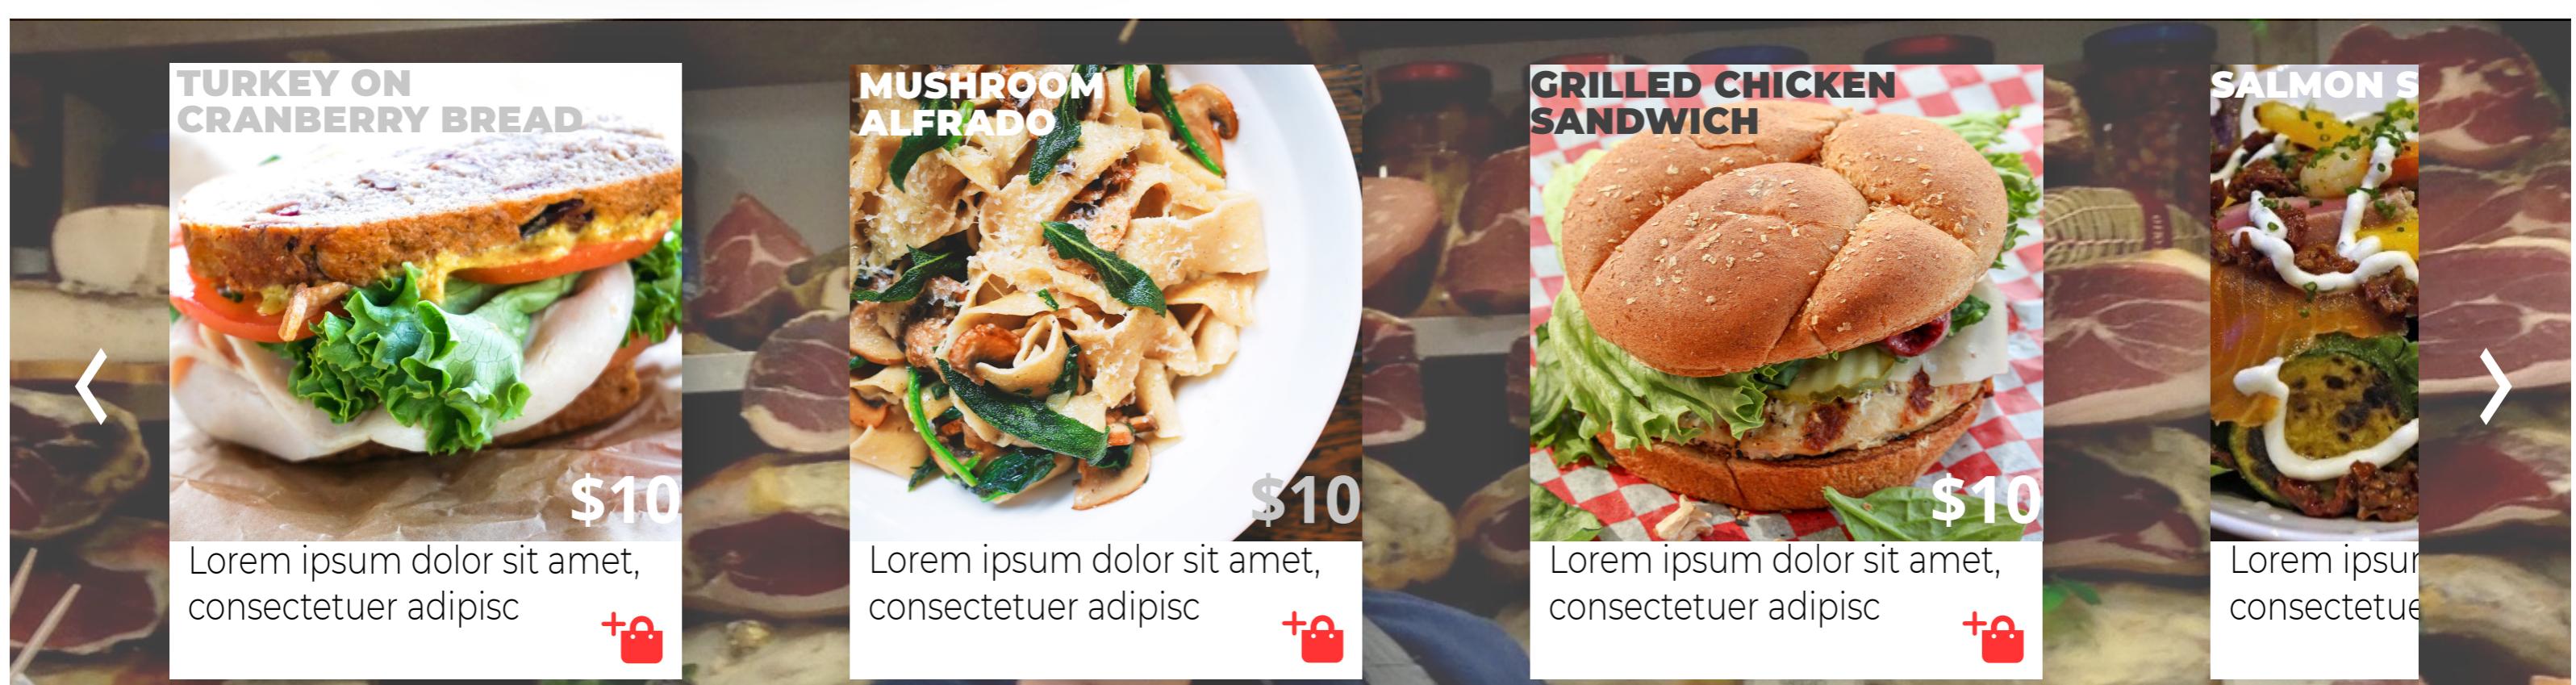

Casual spot with healthy, delicious sandwiches, salads, smoothies and tea. The bbq chicken torta and garlic chicken wrap were very tasty. Super friendly staff, helped us choose our order. Free loose leaf iced tea with order. Highly recommend!!
